Pet Evacuation Teams play a critical part in the safe evacuation of animals...

... during times of disaster, neglect or abuse.

Additionally, Pet Evacuation Teams provide temporary shelter, food, water and foster care for long term situations.

P.E.T. works in partnership with the Red Cross and Emergency Service Coordinators in Central Oregon.

- Mass Evacuation
- Individual Evacuation
- Resource Consulting
- Temporary Housing
- Education & Training
- National Assistance

Volunteer opportunities are available and we encourage neighborhoods & youth groups to practice preparedness.

All P.E.T. members attend a three part orientation and training instructions, additional annual training's are available.

Donations are accepted and appreciated to assist our volunteer teams with expenses and equipment requirements to ensure a standard of quality is maintained in the case of a Central Oregon or National Disaster.
